PERODUA FLEET MANAGEMENT

PERODUA - TRUSTED EXCELLENCE SINCE 1993

Founded locally in 1993, Perusahaan Otomobil Kedua Sdn Bhd (Perodua) has grown to become a leading automotive brand in Malaysia. Our portfolio encompasses vehicle manufacturing, research and development (R&D), sales, after-sales, accessories, body repair and paint (B&P), motor insurance, vehicles' subscription, and pre-owned vehicles (POV). This ensures we provide comprehensive mobility solutions that support the entire Malaysian automotive ecosystem, including suppliers, dealers and business partners.

Our commitment to excellence, customer satisfaction and innovation drives us to exceed expectations and retain the loyalty of our valued customers.

Establishment	1993
Headquarters	Rawang, Malaysia (522-acre site)
Product Range	Sedans, SUVs, Compact Cars, and MPV
Production Capacity	Up to 320,000 vehicles
Total Vehicles Sold	Over 4 million
Direct Employees	11,500
Indirect Jobs	Approx. 70,000

YOUR RELIABLE FLEET PARTNER

We are Malaysia's leading car manufacturer with a portfolio of award-winning cars.

- **Market Leader:** Leading market share in the Malaysian automotive market
- **Quality Focus:** Perodua Smart Built (PSB) to improve mobility for all, with advanced safety features while minimising carbon footprint
- **Trusted and Recognised:** Winner of multiple Brand Awards
- **Environmentally Responsible:** Focused on key Sustainable Development Goals

BUILDING CARS, PEOPLE FIRST

This is our promise to place our customers first in everything we do, from vehicle design to after-sales service. We do so much more beyond cars to solve problems, provide opportunities and create a lasting change.

- We show **care** in the smallest details for your comfort and safety
- We take pride in delivering end-to-end **quality**
- We create **practical** solutions for every need
- We strive to be **innovative** and **creative**; thinking bigger to inspire greater

What is Perodua Fleet?

COMPREHENSIVE SOLUTION FOR EVERY BUSINESS NEED

Perodua Fleet Management Programme offers a broad range of vehicles – from sedans and SUVs, to compact cars and MPVs – designed to meet diverse customer requirements. Whatever your business needs, Perodua provides tailored solutions to streamline vehicle management.

Our offerings, which include sales and after-sales for businesses, come with competitive rates and efficient service across Malaysia, including Sabah and Sarawak.

Our Fleet can be used for multiple purposes:

- **Commercial** – e-hailing, hire & drive, taxi and driving school
- **Non-Commercial** – company car & business partners
- **Government**
